

ant::Application::render

```
graph LR; A[ant::Application::render] --> B[ant::StateStack::render]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ant::Application::render'. The right box is white and contains the text 'ant::StateStack::render'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
