

ant::TitleState::render

```
graph LR; A[ant::TitleState::render] --> B[ant::AppState::getContext]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'ant::TitleState::render'. The right box is white and contains the text 'ant::AppState::getContext'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

ant::AppState::getContext
